Brothers, old and young, participate and compete in many activities, including riflery, rowing, canoeing, etc. There are also camp-wide games which include athletic and scout-craft skills. Remembering our obligation to service, there is also a small service project. Elections for next years officers are held and the Vigil is kept then.

Annual Dinner - (This year December 27 at the 4-Chefs) - A dinner that's more than a dinner! Besides the delicious food there's a special guest speaker, displays by different committees, the induction of next years officers, and the recognition of the new Vigil Brothers. Properties are sold at the dinner and dues may be paid for the next year.

Section 5-A Conclave - (Next year June 8-10, 1979) - A weekend where Unami meets with the other nine Lodges of Eastern Pennsylvania which comprise of Section 5-A for learning and fun! Training sessions and discussions groups are held. There are also various competitions held between the lodges, such as swimming, ping pong, and volleyball. On Saturday night, the "Fellowship Feast" is held, where each lodge brings a food which their area is famous for. This weekend is a great learning experience.

LODGE HIGHLIGHTS

New Members' Reception - (This year October 21 at Girard College) - A day when new Brothers can meet their Lodge Brothers and exchange thoughts and ideas. There are games and competitions and good food, as well as introductions of the various committee chairmen, and displays and skits which are put on by various committees. There is also swimming, football, and other activities.

Spring Service Weekend - (Next May 18-20, 1979) - A weekend where the Brothers of Unami Lodge are of great service to Philadelphia Council. National Order of the Arrow Conference -
(Next year August 13-17 at Colorado State University) - This is a tremendous event held every two years where Brothers from around the nation gather at a major university campus for training sessions, indian dancing, arena shows, displays, and fantastic competitions. Truly the highlight of the year, don't miss it - start saving now!

Dear Brother:

Congratulations upon your achievement of Ordeal membership in the Brotherhood of Cheerful Service, The Order of the Arrow. You are now a member of Unami Lodge #1, a lodge with a strong background (being the first in the nation). We were founded in 1915 at Treasure Island Scout Camp, and as a result, there are now over 400 lodges nation-wide, in each council of the Boy Scouts of America.

The Lodge holds many different events throughout the year in which you are strongly urged to take an active part. The Spring Service Weekend, the Fall Fellowship, and the New Members Reception are just a few examples. Plan to attend these events and watch for further information on them in the upcoming issues of the Voice of the Turtle.

We, as Arrowmen, have two basic duties of which we should be ever mindful. The first is to promote Scout camping through participation in the chapter camp promotion teams and by making sure that your own unit is going to camp. The second duty is to provide service to our council camps. We do this through participating in the Lodge and chapter weekends. We are the Honor Society of Scout campers, so let's remember to promote and serve our camps.

In October, the Lodge will hold a special event for our new members. The Unami Lodge New Members' Reception is a fun-filled event for old and new Arrowmen. In 10 months, you will be eligible to seal the bond of membership in the Order by obtaining Brotherhood membership. The requirements for Brotherhood are on P.62 of your handbook. The achievement of the Brotherhood signifies an Arrowman's acceptance of the high ideals and purposes of the Order, making cheerful service his way of life.

Your entire experience in the Lodge will depend upon your own activity and input. Don't just belong-- be an active member of Unami Lodge #1.

Congratulations again, and I'll see you at our next event.

Yours in Cheerful Service,

Jeff
