C.O.P.E.: Face this scouting challenge

In the October, 1990 edition of *Scouting Magazine*, Arnold Schwarznegger stated, "Shape up and live a better life." These are words to live by, words to get into better physical condition. These are also words to make a boy a better Scout.

We know that as scouts we need a strong mind and a strong body. We also know that Scouting is about teamwork

and courage.

Are you up to the challenge? Can you C.O.P.E.? Can you test your physical endurance by climbing to new heights on the rope adventure? Can you successfully work as part of a team and conquer the low and high course to see the earth like you have never seen it before? Can you rise above the forest floor and look down with courage?

If you answer "Yes" to these questions, you are ready to C.O.P.E. That is, you are ready to challenge yourself.

This weekend adventure is for those 13 years of age or older. After your arrival on Friday, you meet your team members and prepare for the challenge of the high and low courses on

MESSAGE FROM THE NATIONAL CHIEF

My Brothers in Unami Lodge:

Once again I wish to take the opportunity to wish you a very Happy Birthday as we celebrate the 75th Anniversary of our Order's Founding.

Also, allow me to express my deepest thanks for hosting me as a guest at your Birthday Celebration in July. What a special day it was for not only members of your lodge, but for arrowmen nationwide as the birthplace of our organization opened its island to honor our Founder and proud past.

It was great to see so many people from across the Northeast and elsewhere in attendance at your event. It is the spirit that was so evident that day which will carry us onward into another 75 years together.

Whether the weather cooperated or not, I did mean it when I said that the "sun shines today also" on Treasure Island. I know you will continue to do terrific thing for the Order and for Scouting. Thanks again and Happy Birthday!

Yours in Brotherhood,

John Meckley, III
National Chief
Order of the Arrow

Chiefly Speaking ...

Dear Brothers,

Each of you should be proud of the Lodge's accomplishments in our Anniversary year. To date, Unami has replaced the benches at the Treasure Island Ceremonial Grounds, purchased 88 new tents which will be stenciled with the lodge symbol and purchased 12 new mountain bikes for the program at Treasure Island. Over \$6,000 has been contributed to the camps in commemoration of our 75th Anniversary.

The Fall is the season of the Lodge's most active time. Still remaining is the highlight of our year, the Annual Dinner. I hope you will make use of the reservation form enclosed in this issue of the Voice.

Within a few months our 75th Anniversary will be drawing to a close. At the 1989 Annual Dinner, I asked each

of you to seek to find why you are a member of Unami Lodge and how you fulfill the duty of an arrowman. While time remains, involve yourself with the Lodge programs. Unami offers so many opportunities-be a part of a committee, attend the events, promote the Order in your Troop and promote camp. Try to remember those things you wanted to be a part of this year. You still have the opportunity to be involved-take the initiative, the Lodge can use your help!

Above all else, always carry the spirit of the Order with you. For it is the spirit that is the essence of our Brotherhood, the source of our cheerfulness and the commitment in our service to others.

Yours in Brotherhood,
Dave King
1990 Lodge Chief

Founders' Award

It is that time of year again. The anticipation is building. Who will be the recipients of the prestigious Founders' Award for this year? Well, you will have to be at the 75th Annual Dinner to find out.

The "Spirit of Achievement" Founders' Award is awarded to the arrowmen who have made an outstanding contribution to the Order of the Arrow on the lodge level. The recipients of this award are noted for embodying the "vision and spirit of service that typified the life of our founders, Dr. E. Urner Goodman and Col. Carroll A. Edson."

The voting was held at the Selection Meeting on October 23rd where Marty Scott served as chairman. For an evening of fun, renewed fellowship and the opportunity to witness the presentation of the 1990 Founders' Award, be at the Annual Dinner!

CONGRATULATIONS to the following Unami Lodge Brothers who kept their Vigil on September 16, 1990 during the Fall Fellowship Weekend at Treasure Island: Jeff Aster, Dave King, Mike Long, Marty Scott, Herb Toplan, Ralph DeMarinis, Mike Latino, Kurt Murset, Dennis Snee and Jim Stewart.
