

I would like to thank the Executive Board of the General Herkimer Council for the opportunity to serve as camp director during the 1979 season. It was a highly rewarding year and one that I will long remember. As we enter the decade of the 80's I sense a re-dedication to the ideals of the Boy Scouts of America. I can think of no better place to carry out these ideals than Camp Russell and look forward to the new year and its challenge.

Sincerely,
