Dear Friends:

It gives me great pleasure to extend to you my warmest greetings on the occasion of the 75th anniversary of Camp Russell. This is quite a momentous occasion. Kudos and accolades go to Carl Sahre and all of the staff, scouts, family and friends of Camp Russell. You have a rich history here at Camp Russell and as each of you visit here each summer, you leave something of yourselves behind for posterity and take away memories and good values that will help to shape your tomorrows.

I would like to take this opportunity to congratulate and thank each of you for your dedication to the higher values of education, conservation, and mutual respect. You have worked hard to maintain a high quality of life for all of us. I assure you that I am aware of your efforts and I wish to personally thank you. You represent the best of New York and I commend you.

Please accept my best wishes for continuing success and prosperity.

Sincerely,

Alfonse M. D'Amato
