ROUND-UP BOYPOWER 176

Let's make a lot of boys happy this Christmas! Give 'em a chance to join Scouting. Let's not keep Scouting a secret. They won't join if we don't ask them.

School Nite recruited 161 boys. Applications and overage in fees are being returned to the units. Please call these boys and invite them to your next meeting if you haven't done so already. Many thanks for a job well done during School Nite.

Here are some goals to aim for before January 1st. To have a little fun with this Round Up, the Council is giving a new coffee mug, Round-Up ribbon, and citation to each unit reaching the goal by the end of the year. Contest includes all new boys on additional enrollments between July 1, 1968 and January 1, 1969. (If these goals represent too many or too little for your area please let us know). If we don't hear from you we'll know you're trying to reach the goal. Hope you make it! You'll make a lot of boys happy.
