

JUBILEE JAMBOREE

SUTTON PARK
WARWICKSHIRE

Sutton Park, once a royal hunting forest, is a natural park of 2,400 acres and a wildlife sanctuary. The western boundary is marked by an ancient highway from the Roman occupation. Six lakes in the park area will be used for supervised swimming. The site is at Sutton Coldfield, eight miles southwest of Birmingham.

The Boy Scouts of America contingent will occupy a part of five subcamps, living side by side with Scouts of other nations. Adequate provision will be made for water, sanitation, and food distribution. Our contingent will include representatives of the U. S. Public Health Service and our own medical doctors.

LIFETIME OPPORTUNITY

Two jamborees instead of one! Yes, in 1957 you can attend both our Fourth National Jamboree at Valley Forge and the world-wide Jubilee Jamboree in England. After the Fourth National Jamboree you can sail on a chartered ship with hundreds of American Scouts and leaders to the Jubilee Jamboree. There, 35,000 Scouts will camp together in tents of all sizes, styles, and colors under the flags of sixty free nations in beautiful and historic Warwickshire.

ENGLAND INVITES YOU

The brotherhood of world Scouting will commemorate with this outstanding jamboree the hundredth anniversary of the birth of Baden-Powell and the fiftieth anniversary of the Scouting movement he founded.

Following the Fourth National Jamboree, July 12-18, 1,650 Scouts and leaders will embark July 22 and arrive in England nine days later. After the Jubilee Jamboree, August 1-12, they will take one of various European tours. The American contingent will leave Le Havre, France, August 26 and arrive in America September 4. What a story you will have to tell of your jamboree experiences and your new friends all over the world.

WHAT IT COSTS TO GO TO THE JAMBOREES

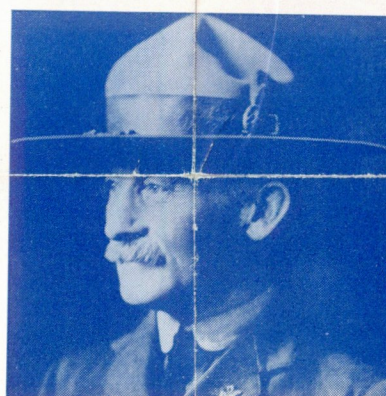

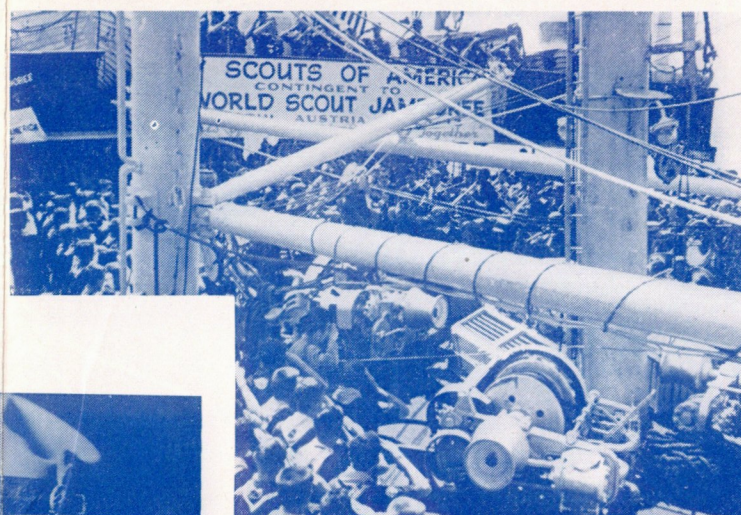

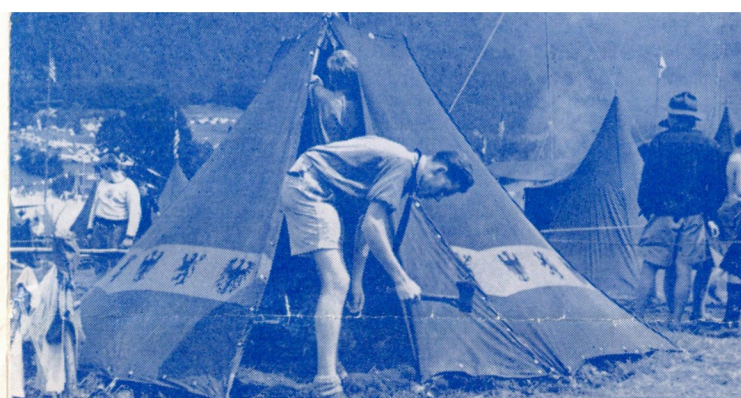

The national fee is \$475.00, which includes the fees for the Fourth National Jamboree and the Jubilee Jamboree, transportation from Valley Forge to England and return to New York, insurance, and other incidental expenses. This amount does not include European tours after the Jubilee Jamboree nor the regional fee for equipment and transportation from home to Valley Forge and return home from New York.

POST-JUBILEE JAMBOREE TOURS

Several tours have been made available under the direction of the American Express Company. Each tour will be filled with highlight experiences. All Scouts from a region will take the same tour. Additional information on the tours and their cost can be secured from your local Scout office.

Tours include first-class rail transportation, or motor coach when advantageous for sight-seeing, adequate hotel accommodations, and continental-style meals. In addition to the European tours, there will be two days of touring in England during the jamboree.

HOW YOU QUALIFY

You can go to both jamborees if you are:

1. Fourteen years or older but not eighteen by August 1, 1957.
2. First Class rank or Apprentice Explorer with at least one full year as a registered member of the Boy Scouts of America as either a Scout or an Explorer by August 1, 1957.
3. Certified by your local council jamboree committee.
4. Qualified physically as prescribed on the jamboree medical examination form.
5. Qualified in practical camping experience at least equal to the requirements for the Camp-

the program. Special displays and demonstrations by the Scouts of various nations will provide a panorama of Scouting and camping techniques as well as cultural backgrounds.

Appropriate provision is made so every Scout may worship according to his faith. With our contingent will be chaplains for all faiths.

YOU WILL BE AN AMBASSADOR

The Boy Scouts of America contingent will represent our country's finest Scouting traditions. You will be proud to be a member of the
