Dear Todd:

As you have been mentioned as an interested Explorer in the Jubilee Jamboree, we are enclosing some literature on this great world-wide event. I know you will enjoy looking it over.

To protect the places that have been granted to our Council, a registration fee of \$50.00 must be forwarded to the National Council by November 29.

If you would care to have additional information, or if you or your parents wish to discuss it further, please let us know.

Kindest regards.

Sincerely yours,

Thomas E. Moore, Jr.
