FYI..

When contacting a council by phone be courteous and patient. Many times the person answering the phone does just that, answer the phone. State that you have a question about camping, a council activity, the OA Lodge, etc., so the person can quickly decide if they can answer your question or must connect you to someone who can. You'll save a lot of time and won't have to repeat your question a second or even third time. If you are ordering items that the council sells, ask for the Scout Shop or Trading Post.

Many councils do not sell regularly by phone or mail. If they will, consider it a courtesy to you. Always offer to pay applicable taxes, postage and handling charges.

When corresponding by mail with a council, always include a self-addressed, stamped, business size envelope for their reply. If you are ordering items always included enough money to cover taxes, postage and handling. If you don't know the exact charges, include a generous amount that should cover the costs and tell them to keep the change for the council. Insist that they let you know if you did not send enough. Promptly return any money owed.

FYI - UPDATE ON COUNCIL MERGERS

by Ed Pagenkopp

Which Council merged with which Council? What's their new name and number? What is the name and number of the OA Lodge? If you have asked any of these question the following list should be helpful to you. I have listed councils that had CSPs that have merged or changed since 1980. Hope it helps!

LEGEND:

(M) = Merged or = Two councils absorbed the one council.
 (NC) = Name Change & = Multiple councils merged to be one.
 plus = Lodge of Council that merged.
