## About This Guide

In this edition of the Guide to Coastal Empire Council Strips I have attempted to show council strips issued by Coastal Empire Council of South Eastern Georgia. It is by no means a complete guide to all Coastal Empire Council issues. I welcome information you might have concerning any Coastal Empire issues not shown in this guide.

## Getting Started

Often Scouts ask "How do I get started patch trading if I don't have anything to trade?" Here are some ideas to help out with getting started:

- 1) Set a goal. Decide on a "set" or types of patches you want.
- 2) Get extras now for trading later.
- 3) The council office sometimes has "extras" that you can buy at a reduced rate.
- 4) Attend area events.
- 5) You can get old patches at a patch auction or on eBay. Just use the search term "Coastal Empire". Sometimes the patches are **cheap**, often they are **way too expensive**.
- 6) Contact friends that are no longer in scouting – they often have patches they don't want or care about.
- 7) Trade! Be fair with other and don't misrepresent patch values.
- 8) Follow the patch trader's code of ethics:
  - I will obey the Scout Oath and Law
  - No trade is complete until both parties are fully satisfied
  - I will apply the "golden rule" to all trades
